

AMMA'S WAY

A documentary focused on Mata Amritanandamayi Math, defined by many as Mahatma, an Indian woman born in 1953, who has demonstrated her vocation since childhood. Determined and full of love for others, Amma and her iconic hug – a simple gesture, but put to the test by the pandemic – have become a symbol to fight for peace, thanks also to the large group of supporters, scattered all over the world, which the woman has gathered.
