

FALCONS – SPECIAL SQUAD

Falchi is a melodrama set in the city of Naples, in its pulsating multiethnic veins that branch off from the central station and penetrate deep into the heart of the city. The movie tells the story of two agents of the Special Squad of Naples. A section in charge to support the investigation of organized crime and assist the arresting department, to probe the area and intimidate criminals. Impeccable at work, the two hawks hide strong weaknesses, shady secrets, loneliness, and overwhelming passions in their private lives.
