

**DRAMA, EROTIC COMEDY**

# THE NIGHT

Susy and Angela, two unprejudiced Milanese girls, meet by chance in a “toilet”, where a distracted bourgeois lady has just forgotten a two million ring; together they take and try to sell it. For this purpose they rely on a young taxi driver, Vito, of southern origin. He first leads them to a receiver, who they find dead; and then, in the house of a transvestite, where a jeweler buys the ring at a fraudulent price. But, after leaving the house, they realize that the money has disappeared.
