

WORKERS

Sandro e Filippo are owners of a temp agency. They meet all kinds of characters who will do anything in order to get a job! For this reason they have always great stories to tell. Giacomo works as a caregiver to an invalid, Mario Spada in order to make ends meet. Mario is a strange type whose vulgarity, arrogance and nosiness along with his love of vodka make him quite the character.

Italo is falling in love with Tania, who believes he is a surgeon, but he isn't a doctor. He works in a breeding bulls and he takes genetic reproduction samples. Alice is a makeup artist, she wants to work in cinema or theater world. Nothing doing! She does the makeup for the dead in a funeral home! Nobody would like to get these jobs...
